About MEDTECH

MEDTECH, founded in 2002 by Bertin NAHUM and based near Montpellier, is the European specialist in design, development and marketing of innovative robotic-assistive devices for medico-surgical interventions, thus contributing to the implementation of safer, more efficient, less invasive treatment.

In 2006, MEDTECH sold the patent portfolio for its first robot, BRIGIT™, designed for knee surgery, to Zimmer Inc. (NYSE : ZMH).

In 2007, MEDTECH developed ROSA™ Brain, an innovative device devoted to brain surgery, which has now been officially approved in Europe, the United States and Canada.

With the launch of its latest robot, ROSA™ Spine, MEDTECH has broadened its field of intervention with this new equipment for spinal surgery.

In 2013, MEDTECH received the «European Company of the Year » award in the «robotics neurosurgery » category from Frost & Sullivan.
